Hi Patti –

I got your voice mail. Thanks for checking with the EOC. I literally just received an email from our Athens modelers with their thoughts on what they could provide. Let me read over what they provided and get back to you. Eventually, I think a request could come to Greg, but with a cc to me and/or Jennifer. Thanks again.

Hi Tim,

Would ORD be available to provide sediment modeling assistance for the Gold King Mine release? Should this request go to you or Greg?

Thanks,

Patti
